

Accessory connector

A new name and several new sizes

Accessory connector key features

- Easily mounted with three fastening points
- Allows you to use accessories with Onyx
- Allows you to use accessories with tent size 15
- Enables the use of accessories on older tents

Base light 7 to 9

Comfort light 2 to 9

Comfort cp 5 to 15

The Accessory connector, formerly called the porch connector, is now available for all Nordic tipi sizes. Base light is available in size 7 and 9. Comfort light is available from size 2 to 9. Comfort cotton/polyester is available from size 5 to 15.

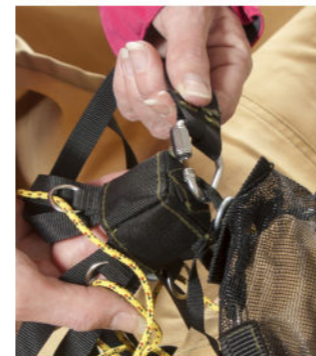

You would only need an accessory connector to use an accessory as a porch, a canopy or a rain roof if your tipi doesn't already have the accessory sleeve. The accessory sleeve is standard on all Safir and Zirkon up to size 9 since 2012 and all Olivin since 2016. Onyx and all tents in size 15 lack the accessory sleeve.

The accessory sleeve is standard on all Safir and Zirkon up to size 9 since 2012 and all Olivin since 2016.

Tentipi

- has its roots in Swedish Lapland – the homeland of the Sami kåta
- stands for passion and expertise, especially when it comes to Nordic tipis
- has three decades of experience as the world-leading manufacturer of Nordic tipis
- has several patents and design rights for its original, ingenious design
- cares so deeply about its products that it only makes its Nordic tipis in its own fully-owned factories
- exposes every fifth tent to a full-scale rain test
- views every Nordic tipi as a unique product and gives it a personal ID to make it possible to track its components and specific design
- cares about previous customers by always striving to make new features also fit the older models of tents.

Attach the accessory connector to the top, around the band which holds the cap and ventilator cap together.

Peg the long bands to the ground.

Tighten the bands, ensuring that the accessory connector is correctly and snugly positioned.
