EVENT NORDIC TIPIS - ACCESSORIES

Atmospheric, Inspiring and above all... Different!

How to decorate the Nordic tepee is of course a matter of personal taste. Simple and soothing, or a rousing party setting - a cozy winter garden, star restaurant or meeting room. In this brochure you will find an overview of our robust accessories to decorate our Nordic Event Tipis in Scandinavian style. Here we also show the possibilities to expand or link your Nordic Tipi with a second or even more.

We are happy to help you shape your own high-profile experience!

Wall Flex system for Stratus 72

Wind and rain or autumnal weather and still enjoy a nice view? It's possible with our Wall Flex system.

Wall Flex Window

Panels with a transparent part ensure that you are warm and comfortable and yet do not miss anything of the environment.

Wall Flex

Canvas Similar to the Window version but without a window. Very suitable for increasing the effective space for example to place a bar or stage.

Wall Window

Wall rolled up

Wooden doors

Wall pro UC

28 procent more effective space

Red line shows extent of usable area for seating when sides are down (due to sloping sides)

Green line shows extent of usable area for seating when Extension is fitted. An increase of approximately 28%.

Stratus 72 with one Extension fitted

Stratus 72 with Wooden Doors fitted

Linking kit for Stratus 72

This makes it possible to link two or more Stratus together.

For Cirrus Nordic tipis:

Porch for cirrus 40 and 28.

Folding tables and benches of 1.2m especially for Cirrus 20 and 28.

Set for linking 2 Cirrus 40

Interior

Collapsible tables and benches

Our sturdy tables are made of solid wood from sustainably exploited forests. Assuming 4 to 8 seats per table, we can make different setups. The tables come with corresponding benches in sizes 1.2 meters and 2.0 meters in length.

Reindeer skins

Skins on the sofas are the 'finishing touch' for a Nordic look. The skins are comfortable, warm and odourless.

Mats

Our event mats are practical and it looks atmospheric.

Bamse Mini

Finnmark Grill

Heating

Open fire

An open fire in the tent gives a warm casual atmosphere. The fire is usually a great centerpiece.

We supply two different types of fireplaces:

A round steel fireplace on three legs, the Finnmark Grill. In this fireplace, the fire burns at knee height.

The Bamse is a square robust fireplace made of heavy wooden beams and equipped with a steel fire bowl. In this fireplace the fire burns at hip height.

Bamse Max
(with side table)

Lighting

With our oil lamps and light chain system you create a warm and atmospheric ambiance.

Comfort Camping

Pimp your camp with our comfortable Event Mattresses, Sleeping bag and Hammock.

In Tent Vent cap with chimney opening

Feel free to contact us. We are happy to tell you the possibilities that suit your wishes.
